Over 1000 years ago a cataclysm destroyed life as we know it, forcing humans to the brink of extinction. In our place machines rose, and nature took back our cities, until all that was left of our world was the rumours of the old ones and the ruins of a civilisation long past. The tribes of the new world live scattered, some small and humble, some as powerful as kings. If Aloy, an outcast and hunter, is

to find her true place in this world she must combat the great robotic creatures of the land and uncover the mysteries of a lost civilisation.
