Synopsis:

Celebrate wild America. The magic of the water's edge at Big Sur in Northern California. A trumpeter swan swimming in the early morning fog over Wonder Lake in Denali National Park. Sunlight streaming through the bald cypresses in a Louisiana swamp. A flock of snow geese covering the sky in Montana. AUDUBON NATURE CALENDAR showcases a dozen North American natural treasures and landscapes with exquisite full-color portraits and fascinating text. America the pristine, America the dramatic, America the unforgettable—each of these images is a tribute to the power and beauty of nature.
