### **Lumberjack Boss by Tabatha Kiss**

Wealth. Power. Wood. Three things I had more of than anybody else until Hazel showed up to protest my latest project. She won't take my money. She doesn't

care about my family's influence. Maybe a little wood is what she needs... and I've got more than enough to give her.

### **Bloodlines by Aubrey Irons**

Once upon a time, he was my prince not-so-charming. But there are no happy ever afters with life in the Dark Saints Irish mafia. I swore I'd never come back to Boston after he pushed me away six years ago. But that's before there was a price on my head, and I needed protection. I won't fall for him again. Giving in to temptation this time around doesn't mean a broken heart. It means we're dead.

As the bassist in the rock band Cherry Lips, Gael's had more than his fair share of women. But his dirty, sexy words ignite my body, just as his promises of forever ignite my heart.
