Synopsis:

The next time your own Pointy-Haired Boss asks if you're expecting any unforeseen problems, simply take a quick glance at your Dilbert 2017 calendar and make convincing reassurances that everything is under control thanks to the company's brilliant leadership. It won't really help with inane questions like that, of course, but you'll look impressive, and it'll give you another excuse to check out a Dilbert cartoon and remind yourself that things could be worse.

An entire year of dodges and feeling better about your job are in this day-to-day calendar, featuring a Dilbert cartoon on every page.
