

Download Easy Legal Steps...That Are Also Good For Your Soul: 7 Steps to Go From Stuck & Scared of the Law to Confident & Empowered Online Book PDF by Lisa Fraley

Synopsis:

Have you been avoiding the legal parts of your business? If there's one thing that makes most business owners want to run under the covers and hide, it's getting legally protected. Even some of the most successful coaches, entrepreneurs, and business owners have no idea where to start and wonder if they're doing everything legally right.

And let's face it, law doesn't seem to jive with the soulful, loving work that you're

putting out into the world. It can feel confusing, intimidating and overwhelming.

Law just hasn't seemed to feel easy for heart-centered business owners. Until now.

This groundbreaking book doesn't just offer accessible and easy-to-implement legal steps. It translates legalese into legal ease so that today's movers and shakers can stop worrying about lawsuits and get back to changing the world.

Equipped with her refreshingly bubbly personality and her past experience in a large corporate law firm, this book guides you through 7 key legal steps and soul-centered principles, each aligned with one of the chakras and a different stage of business growth.

You come out the other side with 7 key legal steps to protect yourself and the unshakable knowing that all aspects of business - even the legal side - can be full of ease, support, and love.
