### Synopsis:

#### A Dragon Shifter Novel

There are secrets that the humans must never find out. Secrets that would bring about the demise of the dragon species. The dragons have something that the humans want and would fight to get.

Their weakness to silver is the one area that humans have exploited in the past, almost bringing the dragon species to their knees. New information has come to light proving that this affliction is an allergy. One that can potentially be beaten.

Dr. Louise Parry is a top specialist in her field. She is also kind and compassionate, someone the dragons can trust. She is tasked with finding a cure. A job she does not take lightly. Thankfully, she has very little dealings with

the bad-tempered king. There is something about him that has her heart beating faster and a flame of awareness igniting inside her. She can't understand why, since he's rude and abrasive.

Granite wants a cure found. The sooner the better. He keeps a close eye on the whole project and moreover, on the little human spearheading the whole thing. Trust is not something that comes easily to him. If she thinks he'll allow himself to become blinded by her sweet demeanor and kissable lips, she's got another thing coming. Touching the female is off limits. Against every rule in the book. *It's strictly forbidden.*

**The Story Contains strong sexual themes/language and is not intended for readers under the age of 18.**
