## Download Golden: The Miraculous Rise of Steph Curry Online Book PDF by Marcus Thompson

## Synopsis:

The incredible and inspiring story of Stephen Curry, the greatest shooter basketball has ever seen, and the ascension of the Golden State Warriors, a team on the verge of being an NBA dynasty, by longtime Warriors beat reporter and *Bay Area News Group* sports columnist Marcus Thompson.

When it comes to Stephen Curry - point guard for the Golden State Warriors and reigning MVP of the NBA - journalists, fans, and sports analysts are running out of ways to say "wow". Deemed too small and too short at 6'3" and 180 pounds by NBA coaches around the league, Curry has taken the game back from the bigger men who usually dominate the court. With his incredible shooting ability that started a "three-point revolution", he led the Warriors to 73 wins in the 2015-2016 season, beating out Michael Jordan and the 1996 Chicago Bulls' longtime record.
