Synopsis:

This award-winning contemporary classic is the survival story with which all others are compared—and a page-turning, heart-stopping adventure, recipient of the Newbery Honor.

Thirteen-year-old Brian Robeson is on his way to visit his father when the single-engine plane in which he is flying crashes. Suddenly, Brian finds himself alone in the Canadian wilderness with nothing but a tattered Windbreaker and the hatchet his mother gave him as a present—and the dreadful secret that has been tearing him apart since his parent's divorce. But now Brian has no time for anger, self pity, or despair—it will take all his know-how and determination, and more courage than he knew he possessed, to survive.
