## Synopsis:

**The definitive guide to being a *bawse*: a person who exudes confidence, reaches goals, gets hurt efficiently, and smiles genuinely because he or she has fought through it all and made it out the other side.**

Lilly Singh isn't just a superstar. She's Superwoman - the title behind her wildly popular YouTube channel. Funny, smart, and insightful, the actress and comedian covers topics ranging from relationships to career choices to everyday life. It's no wonder she's garnered more than a billion views. But Lilly didn't get to the top by being lucky - she had to work for it. Hard.

Now Lilly wants to share the lessons she's learned while taking the world by storm and the tools she used to do it. *How to Be a Bawse* is the definitive guide to conquering life. Make no mistake, there are no shortcuts to success, personal or professional. World domination requires real effort, dedication, and determination. Just consider Lilly a personal trainer for your life - with 50 rules to get you in the game, including:

- Let Go of FOMO: Temptation will try to steer you away from your goals. FOMO is just a test for your priorities - a test that a bawse is ready to pass.
- Be Nice to People: Treat niceness like a task on your daily to-do list. People will go out of their way to help and support you because you make them feel good.
- Schedule Inspiration: Lack of motivation isn't permanent or a sign of weakness. Expect it, and proactively schedule time to be creative.
- Be the Dumbest: Challenge yourself by surrounding yourself with people who know more than you do. It's a vital way to learn and improve.

Told in Lilly's hilarious, bold voice and packed with candid stories from her own journey to the top, *How to Be a Bawse* will make you love your life and yourself - even more than you love Beyoncé. (Yes, we said it!)

**Warning:** This book does not include hopeful thoughts, lucky charms, or cute quotes. That's because success, happiness, and everything else you want in life need to be fought for, not wished for. In Lilly's world there are no escalators, only stairs. Get ready to climb.
