Synopsis:

Love? I don't know the meaning of the word.

It's pain I understand. And control. *Always* control.

I've built an empire of destruction. One so enormous, *no one can touch me.*

I take what I want, and I can buy all the rest.

She's a risk I shouldn't take, but too f*cking tempting to deny.

Naked, sweet and perfect on the auction block, she's the only virgin Club La

Laisse has ever offered. Now she's mine... to do with as I please.

One touch and I couldn't stop. One taste and I nearly lost control. One unguarded moment and now she has the power to ruin me.

She's discovered my deepest secret. But I'm going to discover *all* of hers. *I don't care how deep I have to go...*

But how can I live with myself?

When she's suddenly become everything... I can't live without.
